

Transparency International – Malaysia

Say “No” to Money Politics

There can be no escaping from the fact that politics is money

Tun Dr. Mahathir Mohamed
Prime Minister of Malaysia, 1981-2003

Political corruption is the mother of all corruption

Dato' Sri Abu Kassim Mohamed,
Chief Commissioner, Malaysian Anti-Corruption Commission

Malaysia is one of the few countries in the world where political parties own corporate enterprises

This book concerns the financing of political activities, political parties, candidates and elections in Malaysia. It provides insights into the weaknesses of the electoral system and also internal party electoral campaigns. It calls for reforms such as greater public disclosure in political financing, autonomous and effective enforcement by regulatory agencies and de-linking of politics from business by party ownership of corporate enterprises, to create a level playing field in electoral competition.
